Assembling Instructions

(These pages are not a part of the sheet music.)

For: Strophic On "Away In A Manger" for Pedal Harp Or Lever Harp

Instructions:

- These instructions are assembling the sheet music by taping. However, a similar procedure could be used to put in a three ring notebook or spiral binder instead of taping.
- Print the cover title page on heavier, fancy paper.
- Keep a blank sheet of the above paper for the back cover.
- With the cover title page facing up, lay down the cover title page of the music on a flat surface and lay the back cover to the left with a gap between the pages of about the thickness of a sheet of paper.
 - In order to hold these two sheets in place, use a very small piece of clear tape near the top of the gap and another small piece of clear tape near the bottom of the gap.
 - Now, clear tape the gap from top to bottom.
 - Turn the two taped sheets over and clear tape the gap from top to bottom from this side.
 - Turn the sheets over and fold the two sheets along the gap so that the blank sides of each page are facing each other.
