**HELP WANTED:** Bulletin insert for  
Easter, Christmas, or anytime:

Sarah Hooke, former Organist, and her husband, music helper and 20 years adult Sunday School teacher at our first Church in the area, could use many more prayers. Thanks to the saints in the Choir at our last Church for their prayers and thanks to the saints in the Circle at our last Church for the many monthly cards ever since we left the Church. Sarah and Daniel have been totally cut off from the world much like Job but not as extreme but cut off from the world just the same and would appreciate your prayers. The culprit: Alzheimer's, Dementia, And Similar. If you want to help with their situation, please see [danielhookemusic.com](http://danielhookemusic.com) in the Documents link and read "Alzheimer's, Dementia, And Similar Has No Cure; Says Who?" for an Easter, Christmas, or anytime Sunday School Lesson. This will most likely give you more understanding to help your prayers and thus WILL help us! Happy Easter! Merry Christmas! or Happy whatever the occasion!
