### **An Easy Bible Reading Plan**

The secret things belong unto the Lord our God: but those things which are revealed belong to us and to our children for ever, that we may do all the Words of this Law.

Deuteronomy 29:29

Without faith it is impossible to please God: for anyone that comes to God must believe that He is, and that He is a rewarder of them that diligently seek Him.

Hebrews 11:6

Blessed are they that hear the Word of God, and keep it.

Luke 11:28

Jesus answered them, ... Search the Scriptures; for in them you think you have eternal life: and they are they which testify of Me.

John 5:17, 39

### **Introduction Comments**

This easy Bible Reading Plan is a plan that can be done with just a few minutes a day. It is suggested that you pray the prayer called "The Lord's Prayer" (Matthew 6:9-13, Luke 11:2-4) before reading each day's readings.

The Bible does not require a systematic schedule of Bible reading every day but the Bible does want a Bible reading or hearing every day which may even be from memorized Bible verses on occasional days.

This Bible Reading Plan takes four years to complete. If you wish to complete it faster, do more than one day's readings at a time. 40 verses a day (or easier - - do two days worth of readings every day) will complete the Plan in two years. Also, there may be times that you would like to read and check off a big block of readings.

This Reading Plan is divided into episodes to make your reading more logical and easier.

If reading is not appropriate, get a recording of the Bible to listen to. As you listen, follow along in the Bible and stop at the end of the verse which is the end of the day's reading.

Using the King James Version translation of the Bible should be considered because it is quoted heavy in literature. Get up to date dictionary definitions of unusual words. There are also modern translations of the Bible in today's understandable language. There can be translations of Bible that are more concerned with a doctrine or a fad that with original texts.

See "Is The Cross Of Jesus Christ Central To Human History?" for an examination of the Bible and Bible issues including the issue of "is God a rewarder?" and also including interpretation issues. For instance, the New Testament part of the Bible does some interpreting of the Old Testament part of the Bible in a special way. "Is The Cross Of Jesus Christ Central To Human History?" can be found on the website where you got the document that you are now reading. From time to time there can come about scholarly proposals or fads that seem to make the Bible easier to believe but are not in total agreement with the Bible. In reality, these ideas end up weakening people's Bible based faith and end up pulling people away from the Bible that God uses to help us.

See "Instant Sunday School – A Ten Year Verse-By-Verse Trip Through The Bible" to make your reading and meditation into a more thorough individual Bible Study or to make a group Bible Study that is more than just hearing the Bible. Also, you can do systematic daily Bible readings as described in the document you are reading while at the same time you can do a more thorough Bible Study like the one just mentioned and these two studies do not have to be going at the same pace or dealing with the same Bible passages. "Instant Sunday School – A Ten Year Verse-By-Verse Trip Through The Bible" can be found on the website where you got the document that you are now reading.

This easy Bible Reading Plan will help you get to know what the Bible really says. See what the Bible says so that you can know if you yourself are in Biblical error or if other sources are in Biblical error. In seeing what the Bible really says, may you be convinced of the Christ and be convinced that obeying the Bible is helpful.

"Blessed are they that hear the Word of God, and keep it."

**Directions:**

- When you finish a reading, check it off by putting a ✓ in the blank at the beginning of the reading.
- **Daily.** Read all of the readings for one day.
- **Sundays.** On Sundays, read a day's readings from the Psalms which are listed at the end of these readings and check these readings off. Also, do the regular day's readings. You may need to go through the Psalm list of readings more than once as you go through the total list of readings in this Bible Readings Plan.
